Our new Joyful Sunset is a work of art, well at least the theme is. The dial and the background are graced with a beautiful serene painting of a buck and a doe by a lake house as the daylight fades on an autumn day. The clock is wrapped in a golden pecan stained oak. Each hour the face splits in two and revolves in a circle as one of 30 melodies play. It is also accented with a rotating Swarovski crystal pendulum. Clock is battery quartz operated.
