## **LIMITED ONE-YEAR WARRANTY**

We warrant only to the original purchaser that this product will be free from defects in material and workmanship under normal use and care for a period of 1 year from the date of purchase. Our obligation under this limited warranty shall be limited to repairing the product or, at our option, replacing it with a comparable new or reconditioned product. This limited warranty does not apply to normal wear. This limited warranty does not include shipping costs. Repairs will be completed within a reasonable period of time and the product will be returned.

Our liability is limited to the repair or replacement described above. This limited warranty is extended to the purchaser in lieu of all other remedies, including incidental and consequential damages. Some states do not allow limitations on how long an implied warranty lasts or for the exclusion of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

Products in need of repair should be returned directly, freight charge prepaid, to our Authorized Service Center, not to the dealer from whom they were purchased. Be sure to pack the product carefully and to print your name and address both inside and outside the package. The package should be addressed :

Rhythm U.S.A., Inc.  
8601 Dunwoody Place  
Suite 140  
Atlanta, GA 30350

As a condition to our obligation under this limited warranty, the warranty information in the reverse side should be provided, or you may submit other proof of original ownership and date of purchase. This information must be enclosed with the product being returned for in-warranty repair.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state. Applicable in the U.S.A. only.

NOTE : Never leave worn-out old batteries in your clock, because damages caused by a battery leak is not covered under the warranty.
